THE CLUB BACKBONE

BISHOPS LYDEARD AFC

Bishops Lydeard Association Football Club is an FA Charter Standard Community Club, that has a well-established youth section, senior section and girls/women's section with over 350 participants. The football club playing fields and clubhouse are located in the rural village of Bishops Lydeard, five miles north-west of Taunton in Somerset.

The club is over 100 years old and has developed into one of the largest clubs in the South West.

Having played at various venues in the village it is now firmly entrenched at Darby Way. Due to the growth of the club, youth, ladies, and extra men's sides, we had to expand our facilities in 1999 and now play on Morris Meadow, kindly rented to us by Mr. Morris. This is the field beside the main pitch.

We also use the adjoining field, Glanfield Meadow – named after Mr. Glanfield who kindly sold us the land when he stepped away from farming.

CLUB HISTORY

The philosophy of the club is to provide a safe and fun environment for the youth to train, practice, express themselves and play football. The same principle is applied to the adult section with one overriding difference – push players to play at the highest level they can achieve. This undoubtedly means that BLAFC will ultimately lose players to a higher standard of football until we can match the level, something that is a constant topic of conversation on a Saturday afternoons for the faithful.

In 1998 the adult and youth section joined forces to become one club. This held many advantages which you will see today when visiting the club. What was once a men's side, and the odd youth team run by an adult for the village kids has developed into football for the community at all ages and genders.

The senior side of the club has a very successful Ladies section which has been led by Julie Bowker since it was formed in 2001. We now have two ladies teams; the Firsts playing in the South West Women's Football League and the Reserves in Somerset County Women's League.

The adult men's teams are headed by the First team who gained promotion in 2016 to the Western League following a Winner takes all game against Nailsea and Tickenham to finish Champions of the Somerset Senior Premier League; there is also a Reserve Team playing in the Somerset County League and a Colts team that play in Division 2 of the Taunton & District Saturday League. In 2008 the clubs dream of developing an all-purpose club house to replace its 'Shack' was made in to reality when Iain Hunter formally announced that he had achieved the funding required to start the build after 5 years of meetings, fund raising and form filling. In January 2009 the whole club celebrated along with Iain when the then England under 21 coach Stuart Pearce arrived at the club to formally cut the ribbon.

In 2016 planning permission was granted for the erection of floodlights which were promptly installed to enable the First Team to step into Western League Football.

Those that visit the club frequently will have noticed the development work that has taken place to achieve the stringent ground grading. The pitch was widened, new dug-outs purchased and a path was made around the perimeter of the pitch. The stand was erected as part of the requirement for Step 6 Football, which further enhances the ground and the clubs determination to progress.

In its first season in Western League Division One, the team worked hard to achieve a creditable 6th place finish, in the 2017/18 season the team finished 14th and 12th in 2018/19.

After two seasons of little or no football where the Pandemic hit the World 2021/22 proved difficult for the first team who never really gained any momentum finishing the season in 20th position out of 21.

Last season the club decided to embrace the depth of youth talent in its ranks and give those of strength and ability the chance in the Western League. Although again a disappointing season with the league position it was encouraging to see the player and team ability grow with the experience gained. This can only help as we encounter a new venture in 2023/24 in the SW Peninsula Premier East.

PASSION & PRIDE

TORRINGTON FC

CLUB HISTORY

1908–1978: EARLY YEARS AND NORTH DEVON LEAGUE

Torrington Football Club was founded in 1908, and was originally known to be "a church side", with reverends playing for the club as late as 1914.[1] The team quickly established themselves as consistent contenders in the Premier Division of the North Devon Football League (then called the Senior Division), winning the league title for the first time in the 1912–13 season, the penultimate season before the break during World War I. In the first season after the war, they were crowned champions for the second time, and also won the inaugural Hansen Cup thanks to a 1–0 win over Bideford. Torrington continued performing in the top-flight of the North Devon League for several decades.

In the 1948–49 season, the club won their third North Devon League Senior Division title, and also broke a number of club records. One of these records was an 18–0 win over Ilfracombe Town, in which "scoring phenomenon" Sid Trickett is rumoured to have scored all 18 goals with headers. Ten years later, they were crowned Senior Division champions for a fourth time, and also won the Combe Martin Cup for the first time with a 2–0 victory over Appledore.

The club also briefly played in the Devon and Exeter League, winning the Senior Division title in 1973 and the Premier Division title in 1974.

1978–2007: SOUTH WESTERN AND WESTERN LEAGUES

At the beginning of the 1978–79 season, Torrington made their first step up from the North Devon Football League to the South Western Football League. The team struggled in their first two seasons, finishing 17th and 15th out of 19 teams, but in both 1980–81 and 1982–83 they were crowned runners-up of the division, in both cases behind champions St Blazey. In the first of those two successful seasons, they also won the South Western League Cup.

Torrington were elected to join the Western Football League for the 1984–85 season, beginning in Division One but achieving immediate promotion to the Premier Division after they finished second in the league, just one point behind champions Portway Bristol. In this season, the club also achieved their furthest progression in the FA Vase, reaching the fifth round of the tournament before being knocked out by Steyning Town. For their first few seasons in the Premier Division, Torrington struggled to move out of the bottom half of the league table, but in 1990–91 they finished second in the league. They remained in the Premier Division until 1998, usually finishing in the top eight, before finishing with just 14 points (18 fewer than 19th placed Chard Town) to suffer relegation back to Division One. In 2002–03, the club won their first Western League Division One championship.

2007–PRESENT:

RETURN TO THE NORTH DEVON LEAGUE AND PROMOTION

At the end of the 2006–07 season, despite a last-minute survival in the league due to results elsewhere, Torrington were forced to withdraw from the Western League due to financial difficulties, announcing on 20 June 2007 that they would be returning to the North Devon League alongside their reserve team. In their first season back in the North Devon League, the club won the Combe Martin Cup for the first time since 1959. They then defended the cup the following year, when they also won the Senior Division title for the first time.

At the end of 2018–19 the South West Peninsula League was restructured, and Torrington successfully applied for a double promotion to the Premier Division East, at Step 6 of the National League System. In the summer of 2020, Liam Dart replaced Neil Batty as first team manager, arriving from Holsworthy bringing with him his assistant Jackson Birch.
