THE CLUB BACKBONE

BISHOPS LYDEARD AFC

Bishops Lydeard Association Football Club is an FA Charter Standard Community Club, that has a well-established youth section, senior section and girls/women's section with over 350 participants. The football club playing fields and clubhouse are located in the rural village of Bishops Lydeard, five miles north-west of Taunton in Somerset.

The club is over 100 years old and has developed into one of the largest clubs in the South West.

Having played at various venues in the village it is now firmly entrenched at Darby Way. Due to the growth of the club, youth, ladies, and extra men's sides, we had to expand our facilities in 1999 and now play on Morris Meadow, kindly rented to us by Mr. Morris. This is the field beside the main pitch.

We also use the adjoining field, Glanfield Meadow – named after Mr. Glanfield who kindly sold us the land when he stepped away from farming.

CLUB HISTORY

The philosophy of the club is to provide a safe and fun environment for the youth to train, practice, express themselves and play football. The same principle is applied to the adult section with one overriding difference – push players to play at the highest level they can achieve. This undoubtedly means that BLAFC will ultimately lose players to a higher standard of football until we can match the level, something that is a constant topic of conversation on a Saturday afternoons for the faithful.

In 1998 the adult and youth section joined forces to become one club. This held many advantages which you will see today when visiting the club. What was once a men's side, and the odd youth team run by an adult for the village kids has developed into football for the community at all ages and genders.

The senior side of the club has a very successful Ladies section which has been led by Julie Bowker since it was formed in 2001. We now have two ladies teams; the Firsts playing in the South West Women's Football League and the Reserves in Somerset County Women's League.

The adult men's teams are headed by the First team who gained promotion in 2016 to the Western League following a Winner takes all game against Nailsea and Tickenham to finish Champions of the Somerset Senior Premier League; there is also a Reserve Team playing in the Somerset County League and a Colts team that play in Division 2 of the Taunton & District Saturday League. In 2008 the clubs dream of developing an all-purpose club house to replace its 'Shack' was made in to reality when Iain Hunter formally announced that he had achieved the funding required to start the build after 5 years of meetings, fund raising and form filling. In January 2009 the whole club celebrated along with Iain when the then England under 21 coach Stuart Pearce arrived at the club to formally cut the ribbon.

In 2016 planning permission was granted for the erection of floodlights which were promptly installed to enable the First Team to step into Western League Football.

Those that visit the club frequently will have noticed the development work that has taken place to achieve the stringent ground grading. The pitch was widened, new dug-outs purchased and a path was made around the perimeter of the pitch. The stand was erected as part of the requirement for Step 6 Football, which further enhances the ground and the clubs determination to progress.

In its first season in Western League Division One, the team worked hard to achieve a creditable 6th place finish, in the 2017/18 season the team finished 14th and 12th In 2018/19.

After two seasons of little or no football where the Pandemic hit the World 2021/22 proved difficult for the first team who never really gained any momentum finishing the season in 20th position out of 21.

Last season the club decided to embrace the depth of youth talent in its ranks and give those of strength and ability the chance in the Western League. Although again a disappointing season with the league position it was encouraging to see the player and team ability grow with the experience gained. This can only help as we encounter a new venture in 2023/24 in the SW Peninsula Premier East.

PASSION & PRIDE

CREDITON UNITED

CLUB HISTORY

On 17 October 1888 the first soccer match in Crediton was played between Crediton Wanderers and the Crediton Grammar School. On 21 November the first soccer match ever played at Crediton against a visiting team was by a scratch side made up of players from Crediton Grammar School and Crediton Town Football Club against Park House School, Exeter. The Devon and Exeter Football League was founded in 1900 and in 1907 the first league soccer was played in the town by Crediton Grammar School. On 10 September 1910 Crediton United held their first general meeting and on 17 September that year they played their first home league match, in which they held Southernhay 4-4 at Spence's Meadow. On 8 October they recorded their first win, at home to Dawlish 3-1.

Following the end of the 1st World War organized soccer returned to Crediton in the name of Crediton AFC and then on 29 August 1919 the club changed its name back to Crediton United AFC. Between the wars there were several different Crediton clubs, including Crediton Town, Crediton Rangers, Crediton Wanderers, Jacksons United and St Boniface United. In 1929 Jackson's United were champions of Eastern Section of First Division of Victory League and in 1930 they changed their name to Crediton Town. In the 1930s Crediton Town and Crediton Rangers both ceased playing and in September 1938 Old Haywardians and Jackson's Centurions were formed. In 1946 Crediton United re-formed playing at Newcombes Meadow playing fields in the centre of the town in what was then the Exeter & District League. United played in various local leagues and in 1976 moved to their present ground at Lords Meadow.

In 1985 Crediton won promotion to the Premier Division of the Devon and Exeter League and 1988 they were champions. Two years later the Club joined the Western League for probably the Club's most successful period in its history under manager Trevor Atkins, gaining promotion to the Premier Division in 1993. Relegated to the First Division in 1996 they resigned from the Western League because of the increasing travel costs involved and joined the Devon League, staying until the formation of the South West Peninsula League in 2007.

Following several inauspicious seasons in the Devon League the Club was fortunate enough to secure the services of former Wales international pro-footballer Exeter City manager and player John Cornforth. John concentrated on encouraging the young lads emerging from the Club's youth teams and at one stage every one of the match squad players had come through the Club's Youth ranks.

At the start of the 2009-10 season John returned to professional football securing a position coaching promising youth players in the Far East. The Club had been fortunate to have the services of experienced goalkeeper Steve Guppy and in March 2011 former professional footballer Warren Patmore regarded as one of the all-time great players at Yeovil Town took over as First Team Manager with Steve Guppy standing down to devote more time to coaching. Patmore's sudden departure at the commencement of the 2012-13 season was the precursor to a poor season, and despite the valiant efforts of manager John Veale the 1st team finished bottom. Reserve Team managers Matt Trenaman and Perry Carpenter, both former Club Youth team players with much experience in Western League standard football took on the 1st team role at the start of 2013-14 and in a season of entertaining football finished in a creditable 6th position.

Matt Trenaman, assisted by former player Emlyn Harris entered his 5th season as manager; - the longest spell by the same individual since Trevor Atkins's 80's and 90's nine year spell in charge. The team aimed to improve on the previous seasons eventual 8th place finish. After a very impressive start to the season the club were top of the league at Christmas but unfortunately their form dipped in the new year and the season petered out. The team did have however two encouraging cup runs which saw the club reach the quarter finals of the Walter C Parson League Cup and semi final of the Throgmorton Devon Premier Cup. After a terrific start to the 2017-18 season topping the table for some time the atrocious winter weather meant a loss of form and a host of player injuries in the new year and the team finished in 6th position. The 2018-19 season began with the retirement of several influential senior players - assistant manager Emlyn Harris, Richard Blake and Perry Carpenter. An influx of promising young players however, including a couple of former Exeter City academy players looked promising in preparation for the reorganization of Step 6 football in the 2019-20 season in Devon & Cornwall. For the 2020-21 season Darren Pike previously team manager at Witheridge joined the Club as assistant to Matt Trenaman. Matt retired as manager in June 2022 and former Exeter City professional Ben Watson and former City youth player and Bideford player Jack Furzer took over as first team managers. Darryl Harvey took over from Paul Conabeare in 2019 as reserves team manager with Darren Pike and Mathew Leach as assistants.

Following the departure of managers Ben Watson and Jack Furzer as team managers at Barnstaple Town in the early 2023-2024 season Dan Western and Paul Furzer took their place.

Football Fun Factory

Truly Unique Football Experiences

Our Ethos

The Football Fun Factory was created to provide incredible childhood football experiences for boys and girls of all ages and ability levels. Our mission is to use the nation's passion for football as a vehicle for child development. We believe that the focus should not be simply on development or progression... we should be focusing on having fun! Our ethos is all about creating an incredible environment where children can express themselves, play, make friends and have fun!

worldwide cancer research

Our organisation

We are a small team, but we have big ambitions. Since 1979 we have been dedicated to funding the brightest researchers to start cancer cures that will save lives now, and for generations to come. With the help of our Curestarters, we have supported £200 million of cancer research around the world.
