## THE CLUB BACKBONE

# BISHOPS LYDEARD AFC

Bishops Lydeard Association Football Club is an FA Charter Standard Community Club, that has a well-established youth section, senior section and girls/women's section with over 350 participants. The football club playing fields and clubhouse are located in the rural village of Bishops Lydeard, five miles north-west of Taunton in Somerset.

The club is over 100 years old and has developed into one of the largest clubs in the South West.

Having played at various venues in the village it is now firmly entrenched at Darby Way. Due to the growth of the club, youth, ladies, and extra men's sides, we had to expand our facilities in 1999 and now play on Morris Meadow, kindly rented to us by Mr. Morris. This is the field beside the main pitch.

We also use the adjoining field, Glanfield Meadow – named after Mr. Glanfield who kindly sold us the land when he stepped away from farming.

## CLUB HISTORY

The philosophy of the club is to provide a safe and fun environment for the youth to train, practice, express themselves and play football. The same principle is applied to the adult section with one overriding difference – push players to play at the highest level they can achieve. This undoubtedly means that BLAFC will ultimately lose players to a higher standard of football until we can match the level, something that is a constant topic of conversation on a Saturday afternoons for the faithful.

In 1998 the adult and youth section joined forces to become one club. This held many advantages which you will see today when visiting the club. What was once a men's side, and the odd youth team run by an adult for the village kids has developed into football for the community at all ages and genders.

The senior side of the club has a very successful Ladies section which has been led by Julie Bowker since it was formed in 2001. We now have two ladies teams; the Firsts playing in the South West Women's Football League and the Reserves in Somerset County Women's League.

The adult men's teams are headed by the First team who gained promotion in 2016 to the Western League following a Winner takes all game against Nailsea and Tickenham to finish Champions of the Somerset Senior Premier League; there is also a Reserve Team playing in the Somerset County League and a Colts team that play in Division 2 of the Taunton & District Saturday League. In 2008 the clubs dream of developing an all-purpose club house to replace its 'Shack' was made in to reality when Iain Hunter formally announced that he had achieved the funding required to start the build after 5 years of meetings, fund raising and form filling. In January 2009 the whole club celebrated along with Iain when the then England under 21 coach Stuart Pearce arrived at the club to formally cut the ribbon.

In 2016 planning permission was granted for the erection of floodlights which were promptly installed to enable the First Team to step into Western League Football.

Those that visit the club frequently will have noticed the development work that has taken place to achieve the stringent ground grading. The pitch was widened, new dug-outs purchased and a path was made around the perimeter of the pitch. The stand was erected as part of the requirement for Step 6 Football, which further enhances the ground and the clubs determination to progress.

In its first season in Western League Division One, the team worked hard to achieve a creditable 6th place finish, in the 2017/18 season the team finished 14th and 12th in 2018/19.

After two seasons of little or no football where the Pandemic hit the World ..... 2021/22 proved difficult for the first team who never really gained any momentum finishing the season in 20th position out of 21.

Last season the club decided to embrace the depth of youth talent in its ranks and give those of strength and ability the chance in the Western League. Although again a disappointing season with the league position it was encouraging to see the player and team ability grow with the experience gained. This can only help as we encounter a new venture in 2023/24 in the SW Peninsula Premier East.

# NEWTON ABBOT SPURS

## Club History

Once upon a time . . . back in the month of August in the year of 1938, sixteen year old Eric Butler, an apprentice carpenter in the town, along with two friends, Fred Stopp and Terry Waye came up with the idea of forming a football club for the youth of Newton Abbot.

The three christened their new adventure the Newton Abbot Spurs Association Football Club and although money was tight the trio had a wealthy ally, Eric's father, Richard James, although respect commanded him to be called "R.J." throughout his Spurs days, was the man to guide the three and finance their ambitious project.

The club started life in the South Devon Minor League with games being played at Bakers Park with the clubs colours being Blue and White. As history tells us now, thanks to a now upstart called Adolf had plans for Bakers Park . . . and the rest of Europe come to that!!!

Despite the long dark days of World War II friendly games were still played against teams such as R.A.M.C, Tank Corps, Gloucester Regiment and local teams Totnes Y.M, Brixham Spurs and St Marychurch Spurs. At the end of the war, Spurs joined the fourteen team South Devon League at the start of the 1945/46 season.

Bishopsteignton, Babbacombe Corinthians, Galmpton United, Liverton United and Paignton Villa were other sides still going strong today who resurrected the League after hostilities. By this time we were in "All Blue" colours with the Cockerel badge, hence "Spurs", now worn with pride on the shirts.

That first season still remains to this day the only time the club has ever achieved the "double" of the South Devon League Championship and the Torbay Herald Cup. The league was won comprehensively with the highest ever Herald Cup Final score recorded, even up to now, thanks to a 9-0 win over Bishopsteignton. A crowd of 4,000 people paying gate receipts of £169.00 witnessed the game at Teign School, Kingsteignton before celebrations began at "The Bradley Hotel", now "The Jolly Farmer".

One year on we switched leagues and pitches, moving to the Exeter and East Devon League where we played against the likes of Barnstaple Town, Bideford United, Heavitree United and Tiverton Town. We played our games at Bradley Meadow, off of Bradley Lane, as we finished Runners-Up in the League. We did lift the East Devon Cup with a 2-1 win over Heavitree United at St James Park. One of the most significant dates in our history came on 6th June 1947. Newton "All Whites" Rugby Club had occupied The Recreation Ground up until then and made every effort to purchase the ground off the council for a huge sum of £8,000. The Urban Council turned it down and by a vote of eight to seven in our favour we finally took up residence after a campaign led by R.J. For the 1947/48 season we changed to the Plymouth and District League playing teams such as Dartmouth United and Oak Villa as we won the Plymouth and District Charity Cup before two years later winning that league, edging out Tamerton.

Although the Devon Premier Cup is now the main Cup competition in the County, it's forerunner was the Devon Senior Cup. 6,000 people were at Home Park to see Spurs record a glorious 2-0 victory over Tamerton on 13th May 1950. Twelve months on and we again lifted the impressive trophy although we shared it with Exmouth Town after a 1-1 draw at St James Park.

The 1951/52 campaign saw our own R.J and George Gillan of Torquay United form a new league. The South Western League was born with five Devon sides joining forces with seven from across the Tamar. We controversially dropped "Spurs" from our title and ran as Newton Abbot for five years with our first ever contest in the new league coming on 25th August at Newquay as we won 5-2. The history books say Newton Abbot but it must be remembered that it was Newton Abbot Spurs who were the founder members of the league.

By the 1953/54 season we dropped back down to the Plymouth and District League as our rather nomadic existence, due to our ideal geographical position, continued. Our reserves became the first Second string to win the Torbay Herald Cup after beating Kingsteignton Athletic 2-0 in the 1956/57 season.

In the 1958/59 campaign the first team completed a League and Cup double, this time in the Devon and Exeter League. The respected Bill Anderson was appointed manager as we clinched the title by four points from Barnstaple Town and the East Devon Cup was again pocketed after a narrow one goal win over Heavitree United, once again at St James Park.

Spurs made the bold decision in 1959/60 to rejoin the South Western League and although we failed to land any silverware we stayed put for eleven seasons until the club went into decline. The only successful side in the club during the sixties was the Youth side that won the Devon youth Cup in 1969 and were finalists in 1968.

On 26th June 1971, the decision was made to pull out of the South Western League and run with just one side in Division Two of the South Devon League. It was certainly now troubled times at the new look Recreation Ground – our grandstand was demolished – with a Second Team revived in Division Six all be it a year on.

Things certainly began to take off as the club again started to focus on the Youth of the area in the mid Seventies with Willie Boyd's Youth Team exciting many a follower. At the start of the 1976-77 season Second Team boss Brian Walker moved up to take the reigns of our Division One First Team.

# NEWTON ABBOT SPURS

The glory years were back as we won the Dartmouth Cup Final and clinched promotion to the Premier Division of the South Devon League. Walker's youngsters took a while to find their feet but when they did the reputation that Newton Abbot Spurs carried before them was born.

After a thirty four year wait, Captain Chris Breslan lifted the South Devon League Championship at the end of the 1979/80 season, a feat that was to be repeated 365 days on. The Torbay Herald Cup came to our trophy cabinet in the 1982/83 season as we beat Galmpton United with a single goal from Jon Beer.

The Cups and Championships flowed continuously with the day of Saturday 4th May 1985 the next notable successful stop of the Spurs bus ride through history. The Devon Premier Cup had by now become the top Cup in the County and we finally got our hands on it after a 3-1 win over Cullompton Rangers at Tiverton Town's Ladysmead Ground. Unfortunately we were unsuccessful in defending the cup one year on losing 0-1 in the Final at Plainmoor to Watts, Blake and Bearne.

By the time Walker had departed for the greener grass of the fairways at the end of the 1986/87 season his footballing C.V was quite impressive. Four South Devon League Championships, Twice Runners-Up, Once Devon Premier Cup Winners, Once Finalists, Twice Herald Cup Winners, Thrice Finalists, Thrice George Belli Cup Winners, Once Finalists, Once Dartmouth Cup Winners and Three South Devon League Challenge Shield Winners.

In that time Pat Breslan had also guided the Reserves up to Division One before the duo made way and Chris Breslan began his reign at the start of the 1987/88 season and despite a few teething problems success soon continued.

The highlight for the club was in the 1990/91 season when Breslan steered the club to Devon Premier Cup success, again at St James Park where we beat Exeter St Thomas 2-0. The stature of the club was enhanced even further when our Reserves lifted the Devon Senior Cup just weeks later. Breslans older brother Jim was the man who masterminded a 2-0 score at Coach Road over home side Newton Abbot. Spurs became only the second club to record this impressive feat joining Weston Mill Oak Villa who achieved it in the 1982/83 season.

At the start of the 1996/97 season, after recording six Herald Cup triumphs and more importantly being crowned Champions of the South Devon League for the ninth time in the May of 1996, the club entered the Westward Developments Devon County League. Our Reserves filled the First Teams place in the Premier Division after Chris Passmore had guided his team to second in the League. Our opening County League encounter was at Topsham Town as we slipped to a 0-1 defeat. We finished the season in fourteenth and also reached the semi finals of the Devon Premier Cup. In 1999/2000 season, the club were winners of the Wirral Programme of the Year award, beating 1110 non league clubs to the award.

During the early part of the noughties, the club went through something of a baron spell in terms of trophies. The First team continued to compete in the Devon County League, finishing as high as third. Our Reserves won promotion back to the Premier Division in 2005 as Runners-Up under the guidance of Chris Passmore. Our newly re-formed Third team were to embark on a memorable few years, securing promotion as Runners-Up in three consecutive seasons as they made the leap from Division Six to Division Three. During this time they won the League Cup in each Division as well as finishing Runners-Up in the Fred Hewings Cup in 2006/07 season.

In 2007, the Devon County League joined forces with the South Western League to form the South West Peninsula League, a League split into Three Divisions. Our First Team entered the Premier Division along with teams such as Bodmin Town, Falmouth Town and St Blazey. Spurs first game was away to Saltash United on 11th August where we earned a well fought 1-1 draw, Paul Froude scoring our first ever goal in the newly formed league. Spurs Dave Pooley has the unfortunate honour of being sent off before a goal was ever scored in the league. We finished the inaugural season in twelfth place.

The First Teams stay in the top Division of the South West Peninsula League was short lived as they were relegated in the second season, thus joining the East Division of the League structure. In their first season in the lower echelons they finished thirteenth.

In 2010, our reserve team were to pick up their first piece of silverware in five years as they won the Dartmouth Cup, triumphing on penalties against Harbertonford after the game finished 2-2. The Third team didn't have as much luck as they were relegated from Division Three in the same season, although they bounced straight back, gaining promotion after finishing in third in Division Four. The Reserve team would supply the first piece of silverware for two years after they finished Runners-Up in Division One on the last day of the 2011/2012 season, again gaining promotion to the Premier Division while they were also Runners-Up in the Dartmouth Cup, succumbing 0-1 to Stoke Fleming.

The 2012/2013 season saw all three teams improve on their previous campaigns finishes. Adam Dyson topped the Peninsula League East Division goalscorers chart with 35 league and cup goals.

Twenty Five years after our last appearance, the First Team returned to the Devon Premier Cup Final but fell to a 1-0 defeat against Appledore at Devon FA's Coach Road

The 2017/18 season saw the First Team fall one goal short of lifting the South West Peninsula League East Division title as Adam Dyson scooped his second league golden boot. The Second Team came up short in the Dartmouth Cup Final while the Youth section thrived, the Under 18s, 15s and 10s all winning their leagues while the 15s and 10s also added cup glory.

The Third Team returned to the fold in 2019/20, a season that turned out to be a historic one with the worldwide pandemic Coronavirus taking hold and cutting the season short for all sides in March. The 2020/21 season was also curtailed by the Coronavirus Pandemic, but not before the First Team made a long awaited return to the FA Cup, beating St Austell 3-0 on 1st September 2020.

## Football Fun Factory

Truly Unique Football Experiences

### Our Ethos

The Football Fun Factory was created to provide incredible childhood football experiences for boys and girls of all ages and ability levels. Our mission is to use the nation's passion for football as a vehicle for child development. We believe that the focus should not be simply on development or progression... we should be focusing on having fun! Our ethos is all about creating an incredible environment where children can express themselves, play, make friends and have fun!
