Bishops Lydeard AFC Club History

Bishops Lydeard Association Football Club... Is an FA Charter Standard Community Club, that has a well-established youth section, senior section and girls/women's section with over 350 participants. The football club playing fields and clubhouse are located in the rural village of Bishops Lydeard, five miles north-west of Taunton in Somerset.

The club is over 100 years old and has developed into one of the largest clubs in the South West.

Having played at various venues in the village it is now firmly entrenched at Darby Way. Due to the growth of the club, youth, ladies, and extra men's sides, we had to expand our facilities in 1999 and now play on Morris Meadow, kindly rented to us by Mr. Morris. This is the field beside the main pitch.

We also use the adjoining field, Glanfield Meadow – named after Mr. Glanfield who kindly sold us the land when he stepped away from farming.

In 1998 the adult and youth section joined forces to become one club. This held many advantages which you will see today when visiting the club. What was once a men's side, and the odd youth team run by an adult for the village kids has developed into football for the community at all ages and genders.

The senior side of the club has a very successful Ladies section which has been led by Julie Bowker since it was formed in 2001. We now have two ladies teams; the Firsts playing in the South West Women's Football League and the Reserves in Somerset County Women's League. The adult men's teams are headed by the First team who gained promotion in 2016 to the Western League following a Winner takes all game against Nailsea and Tickenham to finish Champions of the Somerset Senior Premier League; there is also a Reserve Team playing in the Somerset County League and a Colts team that play in Division 2 of the Taunton & District Saturday League.

In 2008 the club's dream of developing an all-purpose club house to replace its 'Shack' was made in to reality when Iain Hunter formally announced that he had achieved the funding required to start the build after 5 years of meetings, fund raising and form filling. In January 2009 the whole club celebrated along with Iain when the then England under 21 coach Stuart Pearce arrived at the club to formally cut the ribbon.

The philosophy of the club is to provide a safe and fun environment for the youth to train, practice, express themselves and play football. The same principle is applied to the adult section with one overriding difference – push players to play at the highest level they can achieve. This undoubtedly means that BLAFC will ultimately lose players to a higher standard of football until we can match the level, something that is a constant topic of conversation on a Saturday afternoons for the faithful.

In 2016 planning permission was granted for the erection of floodlights which were promptly installed to enable the First Team to step into Western League Football. Those that visit the club frequently will notice a lot of development work has taken place to achieve the stringent ground grading. The pitch has been widened, new dug-outs purchased and a path has been made around the perimeter of the pitch. The stand was erected as part of the requirement for Western League Football, which further enhances the ground and the club's determination to progress.

In its first season in Western League Division One, the team worked hard to achieve a creditable 6th place finish, in the 2017/18 season the team finished 14th and 12th In 2018/19.

After two seasons of little or no football where the Pandemic hit the World 2021/22 proved difficult for the first team who never really gained any momentum finishing the season in 20th position out of 21.

Last season the club decided to embrace the depth of youth talent in its ranks and give those of strength and ability the chance in the Western League. Although again a disappointing season with the league position it was encouraging to see the player and team ability grow with the experience gained.

For Season 2023/24 the Club were laterally moved to the SW Peninsula Premier East, where although the team finished in 16th position it was a useful experience for the young squad. With that behind us we look to put the experience to good use as we move on in 2024/25.

Gary Brown (Chairman)

Axminster Town AFC Club History

Axminster Town Association Football Club are based in Axminster, Devon. They are currently members of the South West Peninsula League Premier Division East and play at Tiger Way. The club originally played at Gravelpit Lane. In 1921 they bought a site at Sector Lane, where they played until moving to Tiger Way in 2015.

The club was established in 1903 and joined the Perry Street Junior League. They won the league in 1911–12, and were champions again in three successive seasons between 1919–20 and 1921–22. The club won the league's Challenge Cup in 1922–23, 1939–40 and 1949–50. They were league champions again the following season, and in 1952 the club moved up to Division One of the Exeter & District Senior League. After winning the division in 1952–53, they were promoted to the Premier Division.

In 1958–59 Axminster finished bottom of the Premier Division, and were relegated to Division One. In 1972 they dropped back into the Perry Street & District League. The club were Challenge Cup winners again in 1979–80 and 1992–93, before returning to the (renamed) Devon & Exeter League in 2001, joining Senior Division Four. They won the division at the first attempt, and were promoted to Senior Division Two. The club won this division the following season, earning promotion to Division One.

Axminster were promoted for the fourth successive season in 2003–04, moving up to the Premier Division. They went on to win the Premier Division title in 2006–07, subsequently becoming founder members of Division One East of the South West Peninsula League. The club finished bottom of the division in 2010–11 but avoided relegation. In 2017–18 they entered the FA Vase for the first time.

Following league reorganisation at the end of the 2018–19 season, the club were elevated to the Premier Division East where they remain to this day.....
